Ms. Phillips;

After much contemplation I have come to realization that it is in my best interest to cease and desist (withdraw) from participation in the State of DE's grievance process.

This whole process has had a profound impact on my physical, mental and emotional well being. I find it increasingly difficult to function at work and at home. I have been in my current position for over a decade. Yet, at times I am treated as a new hire.

Ms. Phillips and Board members, I have come to realize that nothing you do will change the way I have been treated and the way that I am treated.

I thank you, for your time, and effort to help resolve this terrible tort that occurred. However, I do believe that a more appropriate course of action would be for me to pursue civil remedies. As such, I may call upon this process to attest to statements that were made.

If you have any questions regarding this matter please contact me at (302) 739-4498.

Sincerely

  
Randy Goodlett
